

04-30-17, Spring Work Party

Three days in a row, no rain – here we go!

1. Pinebrook Spring Work Party Participants and Results:

- . Thanks to the following for their time and efforts
Basilio Rafael, Narciso Ferreira, Manuel Ferreira, Chico, Roger Turcotte, Mike Coffee, Mike Brashear, Tony Gutierrez, Mike Robertson, Glen Lamb, Frank Cardenas, Mechelle Wilson – Sorry if I forgot anyone.

- . A lot of activities accomplished in less than 2 hours:
 - . Weirs put in Dam
 - . Main lake drain cleaned out to allow filling of lake and then lake filled
 - . Kiddie swim area smoothed in the underwater area
 - . Beach picnic tables stacked for final sand spreading (piles on beach)
 - . Pea Gravel spread in picnic area.
 - . Picnic tables in main area unstacked
 - . Old BBQs and tables removed in readiness for new small BBQ & (3) serving tables.
 - . Well shed cleaned out from winter leaks

There was some wet work to get the weirs put in and in cleaning out the main

drain. So there probably will be some leakage this year but we anticipate lots of water flow so it should not be a problem. The new top sand is expected to be spread next Saturday. It will help if kids of all ages will stay off the piles.

Special thanks to Basilio for the wine break afterwards.

2. Opportunities to rent your cabin/home: Full Time or Seasonal

- . We have a family looking for a fulltime rental of a 3 BR place
 - . We have an older couple with a small dog looking for summer rental
- If you are interested, please respond to this email.
