

PB NEWS: MOVIE NIGHT EVENT and July 4th Games Winners

Hi Folks,

1. MOVIE NIGHT EVENT experience, last Saturday

Hot days and warm evenings worked out well for our initial MOVIE NIGHT event Saturday night, July 8th. About 40 to 50 folks came out for a relaxing evening at the Pinebrook Main Picnic area for a showing of a cartoon lead followed by the Main Feature: "SING" an animated musical comedy.

Popcorn, beverages, and mix for margaritas were provided (Thanks to Michelle Coy, Kathy Skinner, and Christine Snow for organizing and staffing the event). This was our first MOVIE NIGHT and depended on lots of volunteers who not only provided their time for setup and construction, but also most of the equipment (Popcorn Popper, Projector, Sound System, DVR, Screen, and lighting). The Kiosk lighting installed the night before provided the appropriate background support. A special thanks to Mike Coffee who provided most of the "projection system" & the Popcorn Popper, and to Tony Gutierrez, our construction and "ladder man".

Based on the event attendance and feedback, the Pinebrook Board will decide on whether or not to pursue such events in the future.
