

PB NEWS: BBQ RSVP, Volunteers, Fire & Road Safety, Goodbye & Welcome

Hi Folks,

It is time to enjoy season ending events, especially in Pinebrook. Kids have returned to school, so take a break from the madness and come up for a Refreshing Swim, Disc Golf experience, Fishing, end of year BBQ, and a challenge game of Horseshoes, Bocce Ball, Basketball, Softball, and Volleyball. Finish it all off with some of our fine area wine. Don't hurt your eyes, but Monday (tomorrow) around 10:00am see the solar eclipse.

3. Fire Safety Violations and Road Safety Progress

- . We started with 23 second inspection failures for lots with houses on them. Now we are down to 11 with the others either PASSED or DEFERRED. CalFire can start the final assessment beginning in September. The goal is for you to be compliant and safe, not pay a fine.
- . Bare lots continue to be a challenge for EPFD, with most of the effort spent on the lots that provide the biggest threat to the community.
- . Pinebrook has completed most of the Road Safety efforts on Flanders to make our community safe given the road outage at Murphys is sending a huge traffic load through our recreational area. You will see lots of new signage encouraging alert, slow and safe driving habits.

4. Goodbye and Welcome

- . We say goodbye to Alicia Giddings who passed away on August 4th. A long term resident at 1279 Oaken Dr.
- . We extend a warm welcome to Kalisela Haas and Jeff Hillman at 1684 Tamarack.
