- A. All Pinebrook Homeowner Association Members in good standing are eligible to vote.
- B. HOA Members qualify to vote one (1) vote for each Pinebrook Lot owned. Only one (1) vote regardless of the number of owners ~~on~~ of a given lot

5. Cumulative Voting

- A. Pinebrook Homeowner Association By-Laws, Article II, Section 8, allow cumulative voting. The California Corporations Code states that any HOA Member must declare their intent to "cumulate votes" at any meeting prior to the mailing of the ballots. Once declared by one (1) HOA Member, all HOA Members have the right to cumulative voting. The California Corporations Code prohibits cumulative voting for "write-in candidates".
- B. Cumulative voting means that each HOA Member has as many votes as there are board of director vacancies; and that the HOA Member can cast their votes as they choose, e.g. all eligible votes for one candidate or any portion of votes (whole votes only) to other candidates.

6. Proxy Voting by HOA Members

- A. Voting by Proxy is allowed, however instructing a specified Proxy Holder how to vote is not allowed.
- B. If a HOA Member chooses to have his or her ballot voted by Proxy, the name of the person, or "Board of Directors" is to be clearly printed on the outside of the HOA Member Ballot Mailing Envelope. In this case, the "blank" ballot is to be inserted into the Secret Ballot Envelope by the HOA Member. Nothing is to be written on the ballot itself.
- C. The person named to vote the Proxy Ballot must be present on the day of the voting and follow the instructions of the Election Inspector for voting.

ELECTION & VOTING

- C. Original Ballots and original HOA Member Ballot Mailing Envelopes must be received by the election inspectors prior to Poll Closing on Sunday morning of Labor Day Weekend at 10:00 AM

8. Election Qualification Quorum

- A. Pinebrook By-Laws, Article VI, Section 8, defines the quorum for transaction of business as at least 20% of the HOA Members. There are 385 lots in Pinebrook and therefore the minimum number of 77 qualified ballots must be received to validate an election of directors and / or any other matter that must be brought before all HOA members as required by law.

9. Lack of Nominees for Election to the Board of Directors

- A. In the event that there a fewer members nominated for the board of directors than there are openings on the board, as verified by the Election Inspector(s), and there was at least 30 day notice of the election and posting of the nomination procedures, the board of directors can appoint those nominated or appoint other members for the board positions by acclamation. In this event the procedures relating to voter balloting will be eliminated.

10. Appointment of Officers

- A. In accordance with Pinebrook Homeowners' Association By-Laws, Article III, Section 2, the officers shall be annually by the Board of Directors at a meeting immediately following the election of directors. This is to be an open board meeting and nominations for each officer position may be made from anyone attending the meeting. Voting of nominated officers will be by board members only.
- B. Officers shall be President, Vice President, Treasurer and Secretary

11. Number of Directors & Term of Office

- A. The Articles of Incorporation Section VII states there will be 11 Board of Director members. The By Laws, Article II, Section 1 state there will be 7 Board of Director Members. Until further notice, the By Laws shall take precedence and there will be 7 Board of Director members.
- B. Directors are elected for a two-year term. A director may be elected (or appointed) for a second consecutive two-year term. Upon conclusion of the second two-year term, an individual cannot run for election or be appointed to the board of directors for a two-year period (one term).
- C. Three (3) directors will be elected in odd numbered years, and four (4) directors will be elected in even numbered years.
- D. Term limit waiver. Due to scarcity of persons willing to run or accept the position of Board Director the present Board of Directors may appoint a person to fill an open board seat even if that person has just completed two consecutive terms. This allows for creating a full Board when there is an "in term" opening or if elections do not fill the Board openings. It also allows for continuity and experience to be maintained on the Board for the benefit of The Association operations and property owners. The term limit

 - 6) The approved ballot design will then be printed via the Pinebrook computer on the blank, pre-numbered and perforated Buff color ballot stock, or printed by a local printer.
 - 7) The finished printed ballots will custodial care until such time as the ballots are ready for insertion into the Secret Ballot Envelope.
 - 8) When the ballots are ready to be inserted into the Secret Ballot Envelopes, the Election Inspector(s) will prepare and insert the ballots as follows:

 - b. Election Inspector(s) will insert the folded secret ballot into the Secret Ballot Envelope.

NOMINATION FOR BOARD OF DIRECTOR

Please Consider Becoming a Board Member

The Pinebrook Board of Directors is comprised of seven (7) Pinebrook Homeowner Association (Pinebrook) Members as required by Pinebrook By-Laws. Directors are elected for a two-year term. A director may be elected for a second consecutive two-year term. Upon conclusion of the second two-year term, an individual cannot run for election to the board of directors for a two-year period. Three (3) directors will be elected in odd numbered years, and four (4) directors will be elected in even numbered years.

Due to scarcity of persons willing to run or accept the position of Board Director the present Board of Directors may appoint a person to fill an open board seat even if that person has just completed two consecutive terms. This allows for creating a full Board when there is an "in term" opening or if elections do not fill the Board openings. It also allows for continuity and experience to be maintained on the Board for the benefit of The Association operations and property owners. The term limit restriction is maintained in regard to elections where a Board Member completing two consecutive term may not run for election without sitting out for one term (2 years).

Each year, Nominations for the position of Director to serve on the Pinebrook Board, open on May 15th and Nominations close on June 15th. During this time period this form will be posted on the Pinebrook website. All Pinebrook HOA Members are encouraged to consider serving on the board. Each HOA Member has the option of nominating themselves. Only HOA Members in good standing, as defined in current California law, are eligible to be nominated.

The Pinebrook Board of Directors meet an average of 6 times a year and regular meetings start at 10:00AM on Saturday morning at the Pinebrook Town Hall. Most all Pinebrook Directors serve on one or more Committees which does require a "time" commitment. Meetings cannot conduct business without a quorum and therefore attendance is very important in consideration of becoming a board member.

Pinebrook Policy & Procedure #10, which is posted on the website, defines the responsibilities of Directors, Officers and Committees. All Pinebrook Policy & Procedures on the website can be downloaded for your convenience. In the event you may have questions, you are welcome to speak with the Pinebrook President or any of the Board Members. The Contact List on the website has all of the contact information.

Nomination Procedure

1. Submit the name of the nominee to Pinebrook by USPS letter or email, or attend a board meeting and verbally submit the name. Make certain that the name you submit is willing to be considered for serving on the board.
2. The Nomination Time Period is: Nominations Open May 15th of each year; and Nominations Close on June 15th of each year.
3. It would be helpful to the Election Committee to have a brief background resume to be submitted with the name.
4. Pinebrook will acknowledge receipt of the nomination.
